

## Presenting Your Company at the 73rd Mosbacher Kolloquium of the GBM

March 31 to April 2, 2022, in Mosbach/Baden, Germany

We expect about 350 participants to attend the 73<sup>rd</sup> Mosbacher Kolloquium, organized by the German Society for Biochemistry and Molecular Biology (GBM).

The topic of the conference is "The World of RNAs - Principles and Applications". For further information about the program, the speakers, the organizers, and the venue, please visit <https://mosbacher-kolloquium.org>.

The conference will be held as a face-to-face event (2G rule). We expect participants from universities, industry, and research organisations.

There are several possibilities for sponsors to be present at the meeting:
