

Presenting Your Company at the 74th Mosbacher Kolloquium of the GBM

March 23 to 25, 2023, in Mosbach/Baden, Germany

We expect about 350 to 400 participants to attend the 74rd Mosbacher Kolloquium, organized by the German Society for Biochemistry and Molecular Biology (GBM).

The topic of the conference is "Immune Engineering: from Molecules to Therapeutic Approaches". For further information about the program, the speakers, the organizers, and the venue, please visit <https://mosbacher-kolloquium.org>.

The conference will be held as a face-to-face event (we will apply potential Corona rules of the State of Baden-Württemberg in effect at the time of the meeting). We expect participants from universities, industry, and research organisations.

There are several possibilities for sponsors to present themselves:

Sponsoring conference bags

€ 700,-/plus provision
(+19% VAT)

the booking includes the provision of congress bags by the sponsor (approx. 400 pieces).
Company logo shown in the conference program and on the conference website.

Sponsoring Lanyards
